One game system – every genre – countless worlds – endless adventure

Hi Everyone. This is gonna be a quick, early Update, as we have just finished loading up the truck and will be heading off to Gen Con first thing Wednesday morning. We hope to see some of you there.

I mainly wanted to touch upon a couple of quick things and remind you that this is the last six days to get the [Palladium Fantasy RPG® Bundle of Holding](#) – the offer ends August 21, 2017. It's pretty sweet and 10% of the proceeds goes to a worthy charity. Read on to learn more.

UPDATE: Nightbane® Dark Designs™ sourcebook – Ships August 31

[Nightbane® Dark Designs](#)™ is done and at the printer! It looks fantastic and should ship around August 31st. We were not able to get it done in time for Gen Con, but we will bring a half-dozen photocopies to sell for those of you who can't wait and want it NOW. We will try to post a preview for

Dark Designs

™ on DriveThruRPG when we get back from Gen Con. So many fun, new Morphuses and new Talents (nearly 100 of them). And everyone loves seeing the *Ancient Nightbane*

for the first time ever. Author Mark Oberle did an outstanding job. Can hardly wait to see his next one. See the full description elsewhere in this Update.

UPDATE: Rifts® Secrets of the Atlanteans™ – Available now

[Rifts® Secrets of the Atlanteans](#)™ soft cover edition has been selling and shipping out as fast as we get your orders. All of a sudden the

Rifts® Poker Decks – one color, one black and white, both gorgeous – have been selling at an increased level. Don't know if it's because of

Rifts® Secrets of the Atlanteans

™ or what, but keep those orders comin'. We will have copies of

Rifts® Secrets of the Atlanteans

™ and the

Rifts® Poker Decks

, and a whole lot more at

Gen Con

, and we are happy to sign your book(s), so bring 'em on over to the booth.

[Rifts® Secrets of the Atlanteans](#)™ is one of those epic sourcebooks with ideas on every page and packed with all kinds of useful and fun information about True Atlanteans, Tattoo Magic, Stone Pyramids, Crystal Magic, Shadow Magic, Atlantean clans, the Sunaj, new Atlantean O.C.C.s, old O.C.C.s revisited, the Shadow Dimension and its monstrous inhabitants, and more. And there are many secrets revealed.

Please take a look at the

[free](#)

[preview on DriveThruRPG.com](#)

for more details and a few choice glimpses of what you can expect. 224 pages, \$24.95 retail.

UPDATE: Rifts® Secrets of the Atlanteans™ “Gold Edition” Limited Hardcover – Ships August 31

Remember, the limited, signed and numbered [Atlanteans™ Gold Edition hardcover](#) does not ship until the end of August or the beginning of September, we are still waiting to get a confirmed ship date for it. It takes longer to have a hardcover made. We anticipate end of August. Limited to 300 signed and numbered editions, and Palladium’s Gold Editions have a history of increasing in value.

Play the humans, Dwarves, Elves, Wizards, Warriors, Thieves and Paladins you would expect, but you also get to play a large array of non-human characters like *Wolfen, Coyles, Orcs, Ogres, Kobolds, Gnomes* and others. And sourcebooks like

Monsters & Animals, High Seas, the Yin-Sloth Jungles

and others give you even more character classes and inhuman player character options as well as a menagerie of monsters and villains to battle.

If you are a long time Palladium Fantasy® fan, you get the core rule book and several fan favorite sourcebooks to have available as a digital reference. Since these are first edition titles, you get PDFs of some beloved books that have been out of print for a number of years.

Palladium Fantasy® goes beyond the common fantasy tropes to challenge and stimulate your imagination with player characters like the Mind Mage, Summoner, Diabolist and others. Its unique world and characters have 50,000 years of history, secrets, rivalry and ancient darkness threatening to resurface. This is the time to give this fantasy world a try when you get everything you need to play at bargain prices and support a charity at the same time.

Bargain price and charity support. Not only do you get to try something new or build your existing e-library at a *bargain price*

, but 10% of every purchase goes toward charity! We chose to support the

American Red Cross

as they provide desperately needed medical services to people affected by poverty, war and disasters all over the world.

Please spread the word among your social circles, we would really appreciate it. Please point everyone to ... <http://bundleofholding.com/presents/PalladiumFRPG>

How the Bundle of Holding Works: The customer can pay any price (minimum \$14.95 for the Fantasy Starter Collection Bundle) to get all the titles in the Starter Collection. *If you*

pay more than the threshold (average) price, which was set at

\$23.95 to start

(but goes up as more people make purchases), you also get all the titles in the

Bonus Collection

. They also ADD little surprises and bonus, like the two sets of Fantasy Paper Minis that were added to the *Fantasy Starter Bundle*

. Anyone who already made this purchase gets any “add-on” items. All previous purchasers of this offer automatically receive the newly added item(s) on their *Wizard's Cabinet download page*

Important Note:

The customer needs to visit that page in order to “trigger the system” to add the new titles to his or her DriveThruRPG Library. Enjoy.

The Palladium Fantasy® Bundle ends August 21, so please spread the word and tell everybody about these PDF bundles. All PDF bundles are hosted in association with OneBookShelf, *DriveThruRPG's*

parent company, and you get your PDF bundle added directly into your DriveThruRPG library. What? You don't have a DriveThruRPG account yet? No worries, they are FREE and very easy to set up.

The Palladium® FRPG Bundle will END on August 21, 2017 at 10 PM Eastern time – do not miss out on this limited time offer!

unique character and problems. All fun locations to visit and find adventure and trouble. Something dark and deadly is brewing in the middle of Nowhere, where experimental Techno-Wizard devices and weapons offer prosperity, but could be the doom of everyone

living there. Big ideas.

described.
- New Techno-Wizard
weapons and devices.
- Experimental

Techno-Wizard items that call upon entropy and death.

Palladium
Fantasy RPG

This has been a

secret project of Kevin Siembieda's that he has been plotting and writing in what little spare time he has. The Garden of the Gods is said to be a holy place

watched over and even frequented by the avatars of the gods.

According to legend, the god may visit heroes and followers in dreams or in

guidance,
inspiration, heroic
quests, and gifts of
knowledge and
magic. More
details about this

title will follow.

of the Old Ones?

Rifts® The Disavowed – A Secrets of the Coalition

States Sourcebook

TM

“Desperate
times require
desperate
measures. War

has nothing to do with morality or justice. It's all about winning or dying. We cannot bind our hands with high ideals, even our

own, or worry
about the laws
of renegade
nations or the
rights of alien
people. We
must fight fire
with fire. And

you are the
match.” –

Colonel Lyboc
addressing a
Disavowed
team.

The Disavowed
are so Top
Secret that their
existence is
known only to a
handful of the
Coalition States'
most elite, top

echelon, with Jo
seph Prosek II
the mastermind
behind the
Disavowed
operation, and
Colonel Lyboc
its shadowy

face. Find out
who these men
and women are.
How the
Disavowed get
away with using
magic, traveling
to other parts of

Rifts Earth and
even to other
dimensions in
pursuit of
enemies and
strategic
information that
cannot be had

through
conventional
means. Learn
about the secret
parameters in
which these
hard-boiled
warriors,

secretly
hand-picked by
Joseph Prosek
II, operate, why
almost every
mission is
considered a
suicide mission,

and why they
must forever be
the Disavowed.

- CS
operatives so
secret that even

the top military
and political
leaders right up
to Emperor
Prosek know
w nothing about
them
. And if they did

know, would
they condone
their activity or
condemn it?

- Are the
Disavowed
heroes or

renegades?
Assassins or
soldiers?
Madmen or
super-patriots?
Or a little of
them all?
- Unsung

heroes who
keep the CS
safe, or thugs
and pawns of a
shadow agency
within the
Coalition
government?

- What role does the Vanguard play in this group?

- How do they reward their

D-Bee
“teammates”
when the
mission is over?

- What
happens to the
Disavowed

when they have
seen or learned
too much?

Adventure ideas
galore and so
much more.
