Christmas Surprise Package – \$90-\$100 worth of product for \$45 plus shipping – super savings and fun

4-6 role-playing game books for less than the cost of one rule book! You would pay \$50 or more for most core rule books. A [Surprise Package](#) will get you 4-6 books (varies depending on the book's size and cost). Order yours today! And tell every gamer you know about this super offer.

Christmas is a little less than FOUR weeks away! Get yourself and your friends a [Christmas Surprise Package](#)

that will keep you smiling and playing games for weeks after the holidays is over. And don't forget you need to add a week for processing and delivery during peak holiday season, so do yourself a favor and order one (or more) today.

What is a [Palladium Christmas Surprise Package](#) ? It's a fun bargain for you, and it's our way of saying thank you to Palladium fans around the world. Fill holes in your collection, try new games and world settings, get gifts for your gaming pals, and if you want, we'll sign every book. And you don't have to wait till Black Friday. Order now.

\$90-\$100+ worth of Palladium Books products for only *\$45 plus shipping and handling*. You are guaranteed to get an absolute minimum of *ninety dollars (\$90) retail value* in your Surprise Package. Most get \$95 and many get \$100 worth of goodies *or more*, because our Publisher, Kevin, is crazy during the Christmas Season. And the holiday season is on!

It's a surprise package and a Grab Bag because you never know *exactly* what you're going to get or who will sign your books. We try to include many of the items on your "wish list," but we will surprise you with stuff you are not expecting. Things like a special print(s), maps, or a negative from an actual book, or issues of

The Rifter

®, or a Palladium RPG or sourcebook(s), special edition comic book, or other items that we think you might enjoy. Plus you can ask for unusual items. All items are "hand-picked" by *Kevin Siembieda* from your "wish lists." ALL with *autographs*

if you request them. For many of you, this is the only way to get autographs from Kevin and available Palladium staff members, artists and writers!

Please spread the word

and tell everybody about this offer! Ends December 23, 2017, but order today, because after you get your first Surprise Package, you'll want another.

To those of you outside the USA, the X-Mas Surprise Package is a way to get books and circumvent the extremely high cost of shipping from the US. Since you are getting \$90-\$100 worth of product and only paying \$45 plus a small handling charge, shipping via *Priority Mail International* (required for packages weighing more than four pounds) to most locations in Europe, Canada

and many other countries should be around

\$50-\$60 US dollars

. HOWEVER, because the cost of the product is so low, that's the equivalent of paying retail for the products and \$0-\$30 for shipping. A very good deal. Plus you get autographs if you want them! Please take advantage of it to get all those products you've wished you could get except the shipping was too prohibitive. We feel your pain. Game on!
