

By Kevin Siembieda

Sometimes I think my entire life is a roller coaster ride.

The week started out with the roller coaster rocketing across with thrilling ooohs and ahhs.

Monday began with stellar (finally!) online sales (sure hope it stays that way). At 10:30 A.M. the printer called to tell us **Rifts® Path of the Storm™: One writer's vision for the Rifts® movie** would be arriving later that day, a day earlier than expected. The book looks great, reproduction of the interior pencil art and the color cover is beautiful, and we are just *geeked*

about this title. This is Matthew's first, fully authored book with his name on the front cover, so he was beside himself with anticipation. I'd have to say Christmas came early for him this Monday. Matthew's excitement and energy made me silly, and we clowned around all afternoon while packing books. Wayne and I teased poor Matthew without mercy the entire day, making up stories and calling him "Mister Hollywood." It was a fun, if busy, day. Busy, because we also had a zillion

Christmas Surprise Packages

to process. It made the day seem to zoom by at lightning speed. Whew.

Distributor orders for **Rifts® Path of the Storm™** shipped on Monday, pre-orders shipped on Tuesday, and I've been tossing copies into *Christmas Surprise Packages*

at a liberal pace. YOU HAVE TO READ THIS SCREENPLAY. Okay, you don't have to, but I recommend it. It is a fun, entertaining and worthwhile read. I hope people like it as much as we do. Matthew and I can hardly wait for fan reaction. Of course, this is not likely to be the movie *Jerry Bruckheimer Films*

makes – if they ever make one at all – but it's a fun ride. I think I can report that the screenplay currently under development for JB Films is very different from Path of the Storm.

Tuesday was another busy day that felt like a racing roller coaster. We packed and shipped another big stack of Surprise Packages, I worked on Rifts® Lemuria a bit, addressed several correspondences, met with a freelancer, talked on the phone, ran some errands, paid some

bills, signed a stack of books, handled several business matters and the next thing I knew it was 8:00 PM and time to call it a day.

Wednesday turned into one rapid-fire meeting after another. As soon as one ended, another started. I met with Wayne and Matthew to discuss the status of books in the pipeline in the morning, snuck out to get an oil change for the car and haircut for myself, then came back to the office, where I met with Carmen Bellaire, followed by Mark Dudley, followed by a freelance artist and a trio of pals. Next thing I knew it was 9:15 PM. Yikes.

Today has been quiet by comparison. My day started at 6:30 AM with news of another strong day of online sales. Got to the office at 7:30 AM, put out food for the birds, made Surprise Package selections and signed some books, spoke with Matthew and Wayne briefly, paid some bills, talked with Mike Mumah by phone, answered a few Private Messages (sorry for being so behind) and now it's lunchtime and I'm writing this Weekly Update.

UPDATE: Robotech® The New Generation™ Sourcebook and Rifts® Path of the Storm™ have shipped

and are winging their way to you
or

stores everywhere. Both books should hit store shelves sometime next week. If you ordered online, then your book is on its way to you. Both are outstanding products.

UPDATE: Rifts® Path of the Storm™ – Shipped Monday. This product is part Rifts® movie screenplay, part sourcebook and all fun – especially for the low, low price of \$12.95 retail. Cat. No. 305, 96 pages.

UPDATE: Rifts® Lemuria. This is going to be a sourcebook that is epic in scope. I spoke with the author, Greg Diaczyk, on Tuesday and he's on board with the tweaks, changes and additions we're making. He is pumped up about seeing this book released. That makes two of us . . . no wait . . . it's more like a few thousand of us. Hey, I know the delays are frustrating, but this beauty is nearing completion and worth the wait. You will love this book. It is packed with clever ideas, many new Biomancy Magic spells, Ocean Magic spells, Millennium Tree items, aquatic riding animals, sea monsters, sea dragons, living armor and weapons, symbiotic organisms, information about the Lemurian people, their floating cities, great artwork and more. Getting it to the printer in the next week or two remains my top priority, but my printer's schedule is such that it will be a January release.

UPDATE: Dead Reign™ Sourcebook 3: Endless Dead™. I was showing off the artwork to Mark Dudley and a host of others, and everyone has been blown away by it. I keep telling people **Endless Dead™** is going to surprise and create bone chilling amazement, with zombies like you have never seen them, new survivor O.C.C.s including the Wheelman and Zombie Hunter, vehicle armor rules, many encounter tables, adventure tables, what the military is doing and more. At this point, also a January release. Sorry. But you will love it. I can hardly wait to finish it and get it to the printer.

(Can't get your zombie fix fast enough? Order the 11x8½ inch or 17x11 inch *Endless Dead™* zombie print by artist

Mike Mumah.

The prints may be requested in

Christmas Surprise Packages

but only some requests will be honored and you are most likely to get the small, 11x8½ inch version. You can also request a

staff photo

with us as zombies – our drawn heads from the print superimposed on our photographed bodies. Silly fun.)

UPDATE: About Palladium's new releases. As I said in the last Weekly Update, I know some of you are frustrated with books getting delayed, but I want you to know that the guys and I are working hard to get them out as quick as we can. We have one great book coming your way after another and you are going to love them. **Le**

muria™, Endless Dead

™ and

The Rifter® #57

will all be released in January. Fear not, they are coming soon. I hope you can focus on the fact that books are coming out and new releases should continue on a regular basis

every month

from this point forward. Help us keep these releases coming by gobbling them up when they come out and spreading the word about how much you enjoy them.

Rifts® Vampires Sourcebook will follow after **Endless Dead™**, followed by (in not exact order), **Robotech® Genesis Pits**, **Rifts® Black Market**, **Rifts® Megaverse in Flames®**, **Rifts® Northern Gun**, a couple of **Palladium Fantasy®** sourcebooks, **Splicers®** sourcebooks and bunch of other cool stuff.

UPDATE: Online sales are finally rockin'. Orders for the two new releases and *Christmas Surprise Packages* are streaming in at an excellent pace. So are orders for back stock items, T-shirts, the bookmarks and other product. Awesome. Please keep 'em coming! We're still working toward seeing December sales skyrocket over the next three weeks, carrying us into the New Year like a runaway freight train. ;)

Shipping guidelines to consider when purchasing ANY items as gifts for the holidays

Media Mail: This is the most inexpensive method of shipping. HOWEVER, please be advised that Media Mail takes 3-14 days at the best of times. During the holiday season it takes more like 5-24 days, so do NOT use Media Mail if you *need* your Palladium order before Christmas! Order later and it may arrive AFTER Christmas. Media Mail is also much more likely to get “lost” in the mail.

NOTE:

Any order shipped

Media Mail

that is “lost in the mail” is YOUR loss, not Palladium’s. Your order will NOT be recreated. YOU use Media Mail – the most unreliable of shipping services – *completely at your OWN risk*

. We strongly recommend UPS or Priority Mail.

Priority Mail: This is a very reliable method of shipping. It is supposed to take three days, and usually does, but sometimes 4-5 days during the Christmas season. Note that orders shipped via the US Postal Service cannot be traced or tracked.

UPS Ground takes 1-3 days to deliver to most places east of the Mississippi. 4-5 days to those of you west of that dividing line, so those living out west should take that into account. Orders shipped via UPS can be tracked at any time and the contents are insured if lost. This early before Christmas there is NO NEED to have orders shipped via 3-Day or 2-Day UPS.

UPS 3rd Day Service: Guaranteed to arrive 3 days after being shipped. REMEMBER, it can take one or two days for your order to be processed and shipped. This is definitely the case when you place an order on Friday, Saturday or Sunday. We cannot process your order till

Monday and that means it ships on Tuesday.

To expedite your order, PLEASE make your *Wish List/Special Wants* clear, include 8-12 currently *available* books/items, and make certain your address is complete and correct. We MUST have a *complete street address* including Apartment Number to ship via UPS. UPS cannot ship to a P.O. Box (see Priority). If you give us the wrong or incomplete address and the order gets lost – the loss is yours. Palladium cannot replace the order as a result of *your mistake or omission*

. Remember, we are packing

Christmas Surprise Packages

full, often with \$85-\$100+ worth of product, and Palladium cannot afford to send the package out

twice

due to

your

mistake. We hope you understand. Likewise, numbered, limited editions and original artwork can NOT be replaced if lost. BE CAREFUL, send your complete, current address – including your apartment number – and use a reliable, trackable and insured method of shipping like

UPS

Note to Customers Outside the U.S.A.: 1. You, the customer, are responsible for any and all *duties, taxes*

or

Customs fees

. Books have the lowest fees and duties, but they can still be costly (typically around \$20-\$30).

2.

Palladium Books is not responsible for any delays at Customs. We cannot guarantee time of arrival, so give yourself a few extra days. International Priority Mail should arrive within 5-7 business days, but give yourself a little extra time to be safe.

3.

Palladium charges you ONLY for ACTUAL postage plus a small handling fee. We are a small company and can

not

offer the low or no shipping that big companies like Amazon are able to provide. We hope you understand.

Starting December 5th, Palladium Books processes *Christmas Surprise Package* orders

EVERY day (except weekends) in an effort to get them to you before Christmas. Have a wonderful and joyous holiday.

Fan Comments from Christmas Grab Bags

During the holiday season, we like to let you see some of the many comments we get with the **Christmas Surprise Packages**.

It's a nice way to acknowledge some of our fans and to share with you the kinds of words we hear from gamers throughout the season. We show only initials as some people would rather keep their identity private. Our thanks for your kind words of appreciation and encouragement. We're happy to see so many satisfied customers and the rampant enthusiasm.

We are happy to do the *Christmas Surprise Packages* and spread a little joy and fun around the globe. It is a privilege and an honor to touch so many people with our games. The Surprise Packages are our way of giving back and saying thank you to our legion of amazing fans. Game on!

– *Kevin Siembieda*

R.G. in Salt Lake City, Utah, writes: I have tried to order this [Surprise Package] every year. Thanks for all the great stuff you put in these. It's one of the best surprises for me under the tree.

J.G. in Prosper, Texas, writes: I've done at least one grab bag for at least the last decade and it is one of the most amazing things in gaming I have ever seen.

G.S. in Pueblo West, Colorado, writes: Kevin & crew, thanks for doing the Christmas Grab Bags again this year. I really like the suspense of waiting to see what's inside. Your generosity has allowed me to bring the wonder of role-playing to my children. I have been playing Palladium's RPGs for 27 years and I hope to be playing them with my children and grandchildren for 27 more. Thanks Kevin and everyone at Palladium. Happy Holidays!

J.H., in Louisville, Kentucky writes: I would like to tell all of you thanks for everything you do to make this the best RPG [company] on the planet. And I hope you have a great year.

R.V. in Eugene, Oregon, writes: Hi Folks! This awesome Surprise Pack is for my husband. When I met him four years ago I was shocked to find that he had never participated in an RPG. That seemed pretty weird, since he was an articulate, creative guy who reads sci-fi and fantasy books. So one afternoon I took him down to the game shop and introduced him to

Rifts

® . . . pretty much since that day there is always a

Rifts

® book laying around within easy reach of the couch, dining table or bed. . . Thank you so much for the marvels of Rifts. This is one Christmas gift that I can't wait for my husband to open!

P.F. in Columbus, Ohio, writes: I love Palladium Books! Met Kev and he is a great guy. I am happy you guys are working on **Robotech®** again (wish you could do *Star Wars*).

). My only suggestion is get out more

Palladium Fantasy

® books, those are the first Palladium Books I was ever exposed to and they are still the best darn RPG out there.

J.B. in Pagaso Springs, Colorado, writes: Another year of growing pains that has seen some really great work. Keep up the job gang.

R.C. in Victoria, Texas, writes: We LOVE you Palladium Books!

D.M. in Dunedin, Florida, writes: I only want one of the these [two Surprise Packages]. I am purchasing two so that someone else can get a Christmas present. Feel free to pick someone – anyone – at random and give them my second Surprise Package. Merry New Year and all that!

[Wow. Now that's Christmas spirit. And I'm proud to say that D.M. is not the first or only person to do this. How awesome. I sent the extra Grab Bag to gamers I know are having a rough time. And some people wonder why I always insist Palladium fans are the greatest in the whole wide world. Well, take a look at this. Makes me proud. – Kevin Siembieda]

Well, this book presents an insight and behind the scenes info on that front by Kevin Siembieda, plus an entire screenplay written on speculation by

We thought it would be fun to let Rifts® gamers and Palladium fans see the type of **Rifts® movie** we at Palladium Books would like to see made. So we are presenting Matthew's screenplay as a **proposed Rifts® movie script** and
