The most time sensitive news item is that *this weekend* is your last chance to get a [2016 Palladium Surprise Package](#)

. The offer ends Sunday night at midnight, January 15, 2017. This deal is a fantastic way to start the New Year, try new game settings, fill holes in your collection, and get gifts for birthdays, anniversaries and other special occasions. This offer will not be extended, so order this weekend or miss out.

Somehow the New Year has started out at a frantic pace. That's good, I guess. It has kept us hopping and putting in late nights, but it has been exciting. So what's going on? Read on.

Surprise Package offer ends Sunday night at Midnight, January 15, 2017

The only other thing you need to know is these Grab Bags are fun, a great deal, and people love them. Ask and we will sign your books. After January 15, 2017, you'll have to wait till the next Christmas holiday season to get one. Game on and have great weekend.

UPDATE: The Rifter® #76 – January release

When we have an exact ship date for [The Rifter® #76](#) , we will let you know. Probably January 27, 2017. This is another great issue with a mix of official and optional source material. **F**

or Rifts® and Palladium Fantasy®:

The Primorda, new Elemental beings and their monstrous riding animals (and some magic items that can be made from them).

For Heroes Unlimited™ and Ninjas and Superspies™:

An adventure of villainy and terrorism that can serve as a springboard for many more adventures across the globe.

For Splicers®:

The next big chapter in the

I am Legion

adventure source material. And more! This issue is packed with goodness.

UPDATE: The Rifter® #77 – February release (tentative)

Already working on it and shooting for a February release. It will contain **Heroes Unlimited™** (new trouble from Doc Feral), **Splicers®**, **Rifts®** material and more. Cover has been assigned.

UPDATE: Rifts® CS Arsenal – coming soon.

I have divided my time between several projects, and working away on them all. That includes [Rifts® CS Arsenal](#)™, [The Disavowed](#)

™, [The Rifter](#)® #77,

[Garden of the Gods](#)

™ (Palladium Fantasy RPG®),

[Rifts® Secrets of the Atlanteans](#)

™ and

[Robotech](#)® RPG Tactics™

(Wave II and new releases). When I need a break from one, I do writing on another. This week I did work on

[Rifts](#)® CS Arsenal™, [Gardens of the Gods](#)™, [The Rifter](#)® #77

, as well as logistics and planning on

[Robotech](#)® RPG Tactics™

and business matters. I want CS Arsenal and Disavowed out in quick order.

UPDATE: Rifts® Secrets of the Atlanteans™ – March release

The finished cover for [Rifts® Secrets of the Atlanteans™](#)

came in last week, Thursday, from artist *John Zeleznik*

and it rocks. It depicts a pair of Atlanteans Rifting into an alien city. The other art is coming along nicely too, and I am having a blast every time I get to work on this title.

Author

Carl Gleba

did another great job.

UPDATE: Rifts® Sovietski™ – Spring Release

I also approved *John Zeleznik's* pencil drawing for the cover of [Rifts®](#)
[Sovietski](#)

TM

.

UPDATE: Garden of the Gods™ – a Palladium Fantasy RPG

®

Sourcebook – March or April release

I was on fire when I worked on [Garden of the Gods](#)™ part of this week. I think it was a fun break from writing **Rifts**

® material. When I write, I don't necessarily start at page one and go forward from A to Z. I make an outline of the contents, but I start where I'm most inspired. I go where the ideas and inspiration take me. Then I go back to rewrite, organize and finish the book in sections. When I first started work on Garden of the Gods, I started with notes and blocks of text about the Garden, its history, some of the specific statues and caretakers of notable gods,

and the mystical events and miracles that can take place there. This week, I went back and wrote the introduction color text. A story I think people will enjoy. I certainly had a blast with it and sowed some seeds for things to come. The Garden of the Gods is, itself, something of a prelude to the

Lopan™ Sourcebook

(in our possession awaiting review and rewrites), material for the

Lopanic Games™

and additional Palladium Fantasy sourcebooks.

Hungry to work on

Land of the South Winds

.

UPDATE: Robotech® RPG Tactics™ – 2017 release

We are getting everything lined up and in place for all things **Robotech®** and **Robote**

ch® RPG Tactics™ Wave II

. As far as we are concerned, releasing

Robotech® RPG Tactics™ Wave II

by the end of the year is a must! As I mentioned in another Weekly Update, I recently approved the cover for the first

RRT scenario book,

and we are already working on a second

RRT scenario book

.

We have also been plotting new adventure sourcebooks that will create new factions, aliens and mecha for **Robotech®**, one of which is tentatively titled

Ghost Fleet

. It would take a look at the early days of the UEEF and Shadow Technology, which means all kinds of prototypes and

experimental mecha with Shadow Technology, space pirates, rogue Zentraedi, special ops and liberating people and planets from the Invid Regent.

We should be able to present you manufacturing details and a timetable in another month or so. We know it is frustrating without solid, specific news, as it is for us too, but we are working on it. And excited about finally getting Wave II into your hands.

Note: If you need to change/update your address in BackerKit, please send us a message through Kickstarter, or an email to kickstarter@palladiumbooks.com, and we'll

take care of it. And please, definitely send in those address changes.

UPDATE: Rifts® Board Game by Rogue Heroes LLC

TM

Been approving the art for some of the cards going into the **Rifts® board game** being developed by Carmen Bellaire for his new company, Rogue Heroes LLC. The Kickstarter for it should be in March or April and it is amazing. Everyone who has seen the card art and digital sculpts for the heroic 28mm scale game pieces has been floored. I can hardly wait till Carmen launches his Kickstarter. This game is looking amazing, and the fast, simple rules capture the feel and magic of

Rifts

®.

ALERT: Palladium Game Masters, Gen Con Early Event Submission starts January 22

If you are planning to run one or more Palladium gaming events at Gen Con, PLEASE finalize your descriptions and details, and start sending them in to NMI. Any Megaversal Ambassador can help, but NMI is the primary event coordinator for Gen Con. Remember, getting your descriptions, time, etc. to Palladium early, helps us get you a dedicated room location to run your games. We appreciate ALL of you, and love that you run games at Gen Con. ALL games and settings wanted. Thank you.

**CoastCon 40 in Biloxi,
Mississippi – March 2017**

I (Kevin Siembieda) will be attending

CoastCon 40

, along with

Sean Patrick Fannon

, again, the core writer and architect of

Rifts® Savage Worlds

®, in Mississippi on March 3-5, 2017.

CoastCon and Gen Con are the only two conventions I will be attending in 2017; that's how busy I expect to be banging out new gaming product.

Some things that will shock and amaze, too. I hope to see and chat with a lot of Palladium and Pinnacle fans. Bring books for Sean and me to sign.

NEWS: Could a Phase World® videogame be in your future?

Maybe. Palladium Books has been talking with a videogame company that seems to be very interested in developing **Phase World®** into a videogame. I cannot disclose more, other than they want us to be involved in developing the world and the narrative. Time will tell.

NEWS: Pitching Nightbane® for TV

People keep wondering what's going on behind scenes. Well, part of it has been working with interested third parties to develop our game worlds into new mediums. One of those efforts has been the possibility of **Nightbane®**

as a television series. That's about all I can say at this time.

Nightbane®

is not the only intellectual

property (I.P.) we would like to see become a film, TV show, video game, comic book, etc., and there are at least two other I.P.s that third parties have expressed an interest in developing for such mediums.

Exciting? Yes ... and no. As those of you who have been waiting with us for a **Rifts®** movie these past 15 years know firsthand, it can take a long time for a film project to come to fruition, if it

ever happens at all. So none of this new interest may lead to anything substantive, but when these opportunities comes your way, you have to follow them and see where they may lead. The fact that Palladium has seen such a large number of new third parties contact us about a diverse range of our game worlds is extremely exciting and promising. You'd think sooner or later one of them would hit. Right? Fingers crossed.

UPDATE: The Rifts® Movie

I wish I could say there has been movement on the **Rifts®** **movie**, to be produced by *Jerry Bruckheimer* and *Walt Disney Pictures*. We have no news on this front, but we remain optimistic and appreciate that Bruckheimer is waiting for the right script to make a great movie.

Heading into the New Year

Calls from companies and individuals interested in developing some of Palladium's game worlds for television, film and videogames is exciting and fun to think about. However, there is no guarantee any of these preliminary efforts will lead to anything. Our focus at Palladium Books is getting new products – lots of them – into

your hands, particularly **Robotech® RPG Tactics™**

and other titles folks have been anxiously awaiting. We have a couple of big surprises coming, too.

For now, let me get back to writing. And don't forget, this is the last weekend to snag a [Surprise Package](#)

. Game on!

Comments from Palladium fans like you

This is the last time we'll be posting [Surprise Package](#) comments from fans like you this season. All of us appreciate everything you guys and gals have to tell us. Some were heartwarming, others funny, some offered excellent ideas or their comments confirmed we are on the right track with things in the works, all of them

welcomed.

Sharing these comments is our way of acknowledging at least some of you. I hope those of you who did not see your comments posted in the Weekly Updates are not disappointed. We get many and cannot post them all. I try to give a short response, in brackets, after the comment. Our sincere appreciation to all

of our customers. Keep those imaginations burning bright.

D.T. in Montreal, Canada,
writes (in part): Hi, I was first introduced to Palladium Books in the early 1990s when I was a teenager playing the **TMNT® RPG** with some friends in the UK. We started playing more Palladium games and when

Rifts

® came out, my brother and I fell in love with the setting ... I had a lot of fun collecting Palladium's books when I was younger, and now I'm enjoying the nostalgia of collecting them again!

[I know exactly what you mean, D.T. Role-playing games breed unforgettable fun memories. That's why I say there is

nothing like role-playing. It is the most memorable, fun and amazing type of game on the market. Awesome. Keep the memories alive and make some new ones. – KS]

B.B. in Fargo, North Dakota, writes: Time for the last Surprise Package of the year ... Looking forward to the next **Rifter® Subscription Drive** and upcoming

[Hey, B.B. The **Rifter®**

starts in February, keep an eye out for it. I'm loving the

Secrets of the Atlanteans™

book, so I know our fans will too! I have skimmed all of it and I'm about halfway through the tweaking and rewrite stage.

Great stuff. As for

Madhaven™

, yeah ... it's good stuff. Writer

books are excellent too.

J.H. in Richmond, Texas,
writes: Favorites: Phase

Rifts®
are favorites, but
Heroes Unlimited™
and
Robotech®
are also great. Tried them all.

Have been playing Palladium's games since 1989 and while I don't get to GM or play as much as I did then, I still love to get the books and take a walk in these worlds. Creating characters with my friends and writing adventures for them is still one of my favorite ways to exercise my imagination.

[For me too, J.H., I'm glad you're still enjoying our games.

Fair warning, we will be providing some long, wild walks for you very soon. Start preparing yourself for it now, because you ain't gonna believe what we have planned for you. – KS]

M.F. in Longmont, Colorado, writes: I have been playing your games since 1992. The first RPG I ever played was **Ninja Turtles®**

as a matter of fact. My group also played a LOT of **Heroes Unlimited™** back in the old days. I only recently was able to start reacquiring my Rifts® collection. It's nice to see you guys still making quality product.

[Thank you, M.F., for sticking with us all these years. – KS]

P.P. in Saltville, Virginia,
writes (in part): I like all the
Palladium games I have played
over the years, but as far as my
favorites go, they would be
Rifts®, **Palladium Fantasy**
RPG®, **TMNT®**
and
Robotech®.

The first RPG I ever bought
was

TMNT® & Other Strangeness
, way back in 1988, when I was

13 years old. Been a Palladium fan ever since and hope you keep up the great work.

[Wow, with an endorsement like that, P.P., we have to keep up the great work. And we have some things coming that will blow your mind. Game on. – KS]

succeeds in conquering the continent, the rest of the world shall follow and Earth will be annexed to Hell. The demon hordes believe no one can stop them. The Coalition States has something to say about that.

For the first time in history, the Coalition States, Northern Gun, the Manistique Imperium, Lazlo, New Lazlo, Free Quebec, the Cyber-Knights, Lemurians, True Atlanteans, D-Bees,

magicians, mercenaries and many, many others stand together against a common enemy.

Meanwhile, *the Splugorth of Atlantis, Archie Three, the Republicans*

and

the Vanguard

engage in their own

shadow war against the invading demon hordes, and each other.
